Profile

Live event AV professional with 15 years of experience, currently a Warehouse Manager at a full-service production company (audio, video, lighting, and staging) and Technical Director for weekly church productions. Strong in inventory and warehouse operations in Flex Rental Solutions, live production, and team leadership. Keeps gear moving across weekly productions and constant cross-rentals.

Skills

- **AV & Production:** Live audio, video, and lighting setup and operation; Digital audio consoles and Dante audio networking; Video switching and projection, LED walls, and livestream production; RF coordination; Wireless microphone setup; In-ear monitor system operation; Stage management and audio engineering; Scenic and AV fabrication
- **Warehouse & Operations:** Inventory control, prep, check-in, and quality control; Shortage tracking and subrental coordination; Purchasing and vendor management; Equipment repair and out-of-service tracking; Labor, truck, and freight logistics
- **Tools & Certifications:** Flex Rental Solutions (quotes, pull sheets, return manifests, purchase and rental POs); Dante Level 1 Certified, Audinate (2026); Certified xTool laser operator (custom designs and foam inserts); AV diagrams, quotes, and training videos

Work experience

Warehouse Manager
04/2023 – Present | Orlando, FL

LRAV

Full-service production company covering audio, video, lighting, and staging, supporting 1–2 full productions weekly plus ongoing cross-rentals.

- Manage and train warehouse and production staff; 15+ team members trained to date.
- Run warehouse operations in Flex Rental Solutions: pull sheet prep, return manifests, check-in, and moving shows to Ready to Invoice.
- Catch inventory shortages ahead of time and cover them with subrentals from outside vendors.
- Handle purchasing, vendor relationships, purchase orders, receipts, and cost tracking.
- Schedule labor, trucks, and freight for several shows running at the same time.
- Design custom foam inserts and parts on xTool laser machines, and build scenic and AV fabrication pieces.

Technical Director
Volunteer, late 2025; Part-Time, mid-2026 – Present | Windermere, FL

Crossline Community Church

- Direct all technical production for weekly Sunday services in a portable venue, including full setup and teardown every week.
- Build out the full band stage each week: staging and drum risers, backline and drum kit, microphones, and wireless in-ear monitor mixes.
- Rig and run production systems: truss and lighting, projection, cameras, front-of-house (FOH) audio, and the weekly livestream.
- Lead a volunteer tech team of about 10 people and troubleshoot issues live to keep every service running smoothly.

Senior Technician
09/2011 – 04/2017 | Orlando, FL

PSAV / Encore

Promoted twice in about a year: Technician → Technician 2 (ETS 2) → Senior Technician

- Delivered live event AV at Walt Disney World resorts and other Orlando hotels and convention venues run by PSAV/Encore.
- Supervised and trained technicians, and managed crew schedules and gear transfers between properties.
- Led AV training seminars for Walt Disney World convention managers.
- Worked directly with clients on event agendas, AV diagrams, quotes, and equipment lists.

Freelance AV Technician
2011 – 2023 | Orlando, FL

Break the Floor Productions, Boehm & Boehm, AV1, and others

Education

Bachelor of Science, Recording Arts
Graduated 07/2011 | Winter Park, FL

Full Sail University

Sound Design Intern, Full Sail University, 01/2011 – 05/2011: game music, SFX, voiceover, Foley, and in-game audio implementation
